

Summer Acro Info

July 20- August 12, 2021

New students are welcome!! This is a great opportunity to give Acro a try if you are considering Acro next year.

This is also a great way for current students to stay flexible and keep all their tricks!

- Class sizes will be limited based on Covid-19 capacity guidelines. We will have a waitlist for all classes so that we can add students if guidelines allow.
- Students are required to wear a mask at all times and will have their temperature taken upon entry to the studio.
- Students will enter through the lobby and exit through the Studio 2 door.
- Please email the studio 24 hours in advance if a student will be absent so we can open that space up to drop-ins.
