Lowe Dance Studio News April 2022

April showers??? Maybe they will finally bring spring :) The next few months mark some of the busiest at the studio. Keep a close eye out for important information via email and distributed during classes. We are thrilled with the progress all our students are making in their classes!! Recital dances are coming along nicely; the students & teachers are working hard to put on a fabulous show!! We are also looking forward to starting costume fittings in the upcoming weeks.

We are NOT closed for spring break!!!
